ILLINOIS RAPTORS

Responsible Athletes Progressing To Optimize Real Skills

Dear Corporate and Community Partner:

The Illinois Raptors is a traveling sports organization governed by The Mills Athletic Council (“The MAC”). The MAC is a not-for-profit parent volunteer organization offering youth athletics to young boys and girls and is committed to teaching sport fundamentals and team work while promoting the love of the game.

Raptors is an acronym that stands for Responsible Athletes Progressing To Optimize Real Skills. Our mission is to instill a positive attitude, sportsmanship, basic fundamental, confidence and high standards. At The MAC, Raptors are athletes, who are accountable, trained in movement in a positive direction to make the most of their genuine and authentic talent. We strive to develop our athlete’s skills in order to prepare them for the highly competitive world of high school athletics. We intend to achieve this through the use of experience qualified coaching, player development, competitive games/tournaments and positive encouragement.

The athletes in our program reside in Plainfield, Naperville, Romeoville, Joliet, Morris, Oswego, Crest Hill & Bolingbrook areas. We offer a competitive program for athletes that are looking to improve their skills, while the MAC offers these programs at an affordable cost to the athlete we subsidize the remaining cost of running this program with two basketball tournaments held in the summer and winter months hosted by our Illinois Raptors Basketball Team, these tournaments will be known as

“The MAC Invitational and The MAC Tipoff Classic”.

We are currently seeking sponsorship for the students athletes that will participate in our program. There are several ways to support our programs.

- Sponsor the MAC
- Sponsor a Team (or player)
- Sponsor a Tournament
- Donate products to the MAC
